Healthcare

Medical: The Getty offers two HMO plans through UnitedHealthcare. The primary differences between the two HMOs are co-pay amount and scope of network providers. We also offer a High Deductible PPO plan through Aetna. PPO members have access to an Aetna cost and quality tool to evaluate provider quality and out-of-pocket costs. For details, please view www.gettyhr.com.

Health Savings Account: A tax-advantaged Health Savings Account is available to PPO members, where you contribute money pre-tax and use this money for eligible healthcare expenses. The Getty contribution is \$750 for Employee Only coverage and \$1,500 for Employee + 1 or more (pro-rated based on hire date).

Dental: The dental plan is provided through MetLife and covers twice-yearly cleanings and exams in-network at 100% and out-of-network at 90%. The plan pays for other services at varying percentages once the annual deductible is met, up to the annual maximum of \$2,000 in-network and \$1,000 out-of-network. The plan includes a lifetime orthodontia limit of \$2,000 in-network and \$1,000 out of network.

Vision care: This coverage is provided through VSP and enables you to obtain eye exams and purchase eyeglasses and lenses at reduced rates from a broad network of providers. Vision care coverage is included at no cost with enrollment in medical coverage or can be separately elected for a cost.

Spending accounts: Contribute money pre-tax and then get reimbursed from your account for eligible expenses. If you elect an

HMO plan, you may contribute up to \$2,750 per year to a healthcare account. If you elect the PPO plan, you may participate in a Limited Purpose Flexible Spending Account, for dental and vision expenses. You may also contribute up to \$5,000 per year to a dependent care spending account.

Financial

Employee Investment Program (403b): You may contribute to the plan on a pre-tax basis or a post-tax (Roth) basis.

Retirement Plan: The Getty offers a match to your EIP contribution on the first 4% of pay, deposited to your 401(a) account. Additionally, the Getty will contribute 6% of your salary to your 401(a) account each payday. The 401(a) account vests 100% after 3 years of service.
